Doing Business reforms affecting all sets of indicators included in this year’s ranking on the ease of doing business, implemented between June 2009 and May 2010.

✓ Doing Business reform making it easier to do business
✓ Doing Business reform making it more difficult to do business

ALBANIA
✓ Paying taxes
Albania made it easier and less costly for companies to pay taxes by amending several laws, reducing social security contributions and introducing electronic filing and payment.

ANGOLA
✓ Trading across borders
Angola reduced the time for trading across borders by making investments in port infrastructure and administration.

ANTIGUA AND BARBUDA
✓ Registering property
In Antigua and Barbuda, to transfer property now requires clearance by the chief surveyor to avoid mischievous declarations.

ARMENIA
✓ Trading across borders
Armenia made trading easier by introducing self-declaration desks at customs houses and warehouses, investing in new equipment to improve border operations and introducing a risk management system.

AUSTRIA
✓ Registering property
Austria made it easier to transfer property by requiring online submission of all applications to register property transfers.

AZERBAIJAN
✓ Getting credit
Azerbaijan improved access to credit by establishing an online platform allowing financial institutions to provide information to, and retrieve it from, the public credit registry.
✓ Paying taxes
A revision of Azerbaijan’s tax code lowered several tax rates, including the profit tax rate, and simplified the process of paying corporate income tax and value added tax.

BAHRAIN
✓ Registering property
Bahrain made registering property more burdensome by increasing the fees at the Survey and Land Registration Bureau.
✓ Trading across borders
Bahrain made it easier to trade by building a modern new port, improving the electronic data interchange system and introducing risk-based inspections.

BANGLADESH
✓ Starting a business
Bangladesh made business start-up easier by eliminating the requirement to buy adhesive stamps and further enhancing the online registration system.
✓ Registering property
Bangladesh reduced the property transfer tax to 6.7% of the property value.

BELARUS
✓ Getting credit
Belarus enhanced access to credit by facilitating the use of the pledge as a security arrangement and providing for out-of-court enforcement of the pledge on default.
✓ Paying taxes
Reductions in the turnover tax, social security contributions and the base for property taxes along with continued efforts to encourage electronic filing made it easier and less costly for companies in Belarus to pay taxes.
✓ Trading across borders
Belarus reduced the time to trade by introducing electronic declaration of exports and imports.
✓ Closing a business
Belarus amended regulations governing the activities of insolvency administrators and strengthened the protection of creditor rights in bankruptcy.

BELGIUM
✓ Registering property
Belgium’s capital city, Brussels, made it more difficult to transfer property by requiring a clean-soil certificate.
✓ Closing a business
Belgium introduced a new law that will promote and facilitate the survival of viable businesses experiencing financial difficulties.

BENIN
✓ Dealing with construction permits
Benin created a new municipal commission to streamline construction permitting and set up an ad hoc commission to deal with the backlog in permit application.

BOSNIA AND HERZEGOVINA
✓ Registering property
Bosnia and Herzegovina reduced delays in property registration at the land registry in Sarajevo.
✓ Paying taxes
Bosnia and Herzegovina simplified its labor tax processes, reduced employer contribution rates for social security and abolished its payroll tax.

BRAZIL
✓ Starting a business
Brazil eased business start-up by further enhancing the electronic synchronization between federal and state tax authorities.

</tbody>
</table>
CÔTE D’IVOIRE
- Dealing with construction permits
Côte d’Ivoire eased construction permitting by eliminating the need to obtain a preliminary approval.

CROATIA
- Starting a business
Croatia eased business start-up by allowing limited liability companies to file their registration application with the court registries electronically through the notary public.
- Dealing with construction permits
Croatia replaced the location permit and project design confirmation with a single certificate, simplifying and speeding up the construction permitting process.

CZECH REPUBLIC
- Paying taxes
The Czech Republic simplified its labor tax processes and reduced employer contribution rates for social security.
- Closing a business
The Czech Republic made it easier to deal with insolvency by introducing further legal amendments to restrict setoffs in insolvency cases and suspending for some insolvent debtors the obligation to file for bankruptcy.

DENMARK
- Starting a business
Denmark eased business start-up by reducing the minimum capital requirement for limited liability companies from 125,000 Danish kroner ($22,850) to 80,000 Danish kroner ($14,620).
- Registering property
Computerization of Denmark’s land registry cut the number of procedures required to register property by half.

DOMINICAN REPUBLIC
- Starting a business
The Dominican Republic made it more difficult to start a business by setting a minimum capital requirement of 100,000 Dominican pesos ($2,855) for its new type of company, sociedad de responsabilidad limitada (limited liability company).

ECUADOR
- Starting a business
Ecuador made starting a business easier by introducing an online registration system for social security.

EGYPT, ARAB REP.
- Starting a business
Egypt reduced the cost to start a business.
- Trading across borders
Egypt made trading easier by introducing an electronic system for submitting export and import documents.

ESTONIA
- Dealing with construction permits
Estonia made dealing with construction permits more complex by increasing the time for obtaining design criteria from the municipality.
- Getting credit
Estonia improved access to credit by amending the Code of Enforcement Procedure and allowing out-of-court enforcement of collateral by secured creditors.
- Paying taxes
Estonia increased the unemployment insurance contribution rate and raised the standard value added tax rate from 18% to 20%.
- Closing a business
Amendments to Estonia’s recent insolvency law increased the chances that viable businesses will survive insolvency by improving procedures and changing the qualification requirements for insolvency administrators.

ETHIOPIA
- Trading across borders
Ethiopia made trading easier by addressing internal bureaucratic inefficiencies.

FIJI
- Trading across borders
Fiji made trading easier by opening customer care service centers and improving customs operations.

GEORGIA
- Getting credit
Georgia improved access to credit by implementing a central collateral registry with an electronic database accessible online.
- Protecting investors
Georgia strengthened investor protections by allowing greater access to corporate information during the trial.
- Enforcing contracts
Georgia made the enforcement of contracts easier by streamlining the procedures for public auctions, introducing private enforcement officers and modernizing its dispute resolution system.
- Closing a business
Georgia improved insolvency proceedings by streamlining the regulation of auction sales.

GERMANY
- Starting a business
Germany eased business start-up by increasing the efficiency of communications between the notary and the commercial registry and eliminating the need to publish an announcement in a newspaper.

GHANA
- Getting credit
Ghana enhanced access to credit by establishing a centralized collateral registry and by granting an operating license to a private credit bureau that began operations in April 2010.

GREECE
- Registering property
Greece made transferring property more costly by increasing the transfer tax from 1% of the property value to 10%.

GRENADA
- Starting a business
Grenada eased business start-up by transferring responsibility for the commercial registry from the courts to the civil administration.
Registering property
The appointment of a registrar focusing only on property cut the time needed to transfer property in Grenada by almost half.

Trading across borders
Grenada's customs administration made trading faster by simplifying procedures, reducing inspections, improving staff training and enhancing communication with users.

GUINEA

Dealing with construction permits
Guinea increased the cost of obtaining a building permit.

GUINEA-BISSAU

Enforcing contracts
Guinea-Bissau established a specialized commercial court, speeding up the enforcement of contracts.

GUYANA

Starting a business
Guyana eased business start-up by digitizing company records, which speeded up the process of company name search and reservation.

Getting credit
Guyana enhanced access to credit by establishing a regulatory framework that allows the licensing of private credit bureaus and gives borrowers the right to inspect their data.

Trading across borders
Guyana improved its risk profiling system for customs inspection, reducing physical inspections of shipments and the time to trade.

HAITI

Starting a business
Haiti eased business start-up by eliminating the review by the president’s or the prime minister’s office of the incorporation act submitted for publication.

HONG KONG SAR, CHINA

Paying taxes
Hong Kong SAR (China) abolished the fuel tax on diesel.

Enforcing contracts
Reforms implemented in the civil justice system of Hong Kong SAR (China) will help increase the efficiency and cost-effectiveness of commercial dispute resolution.

HUNGARY

Dealing with construction permits
Hungary implemented a time limit for the issuance of building permits.

Registering property
Hungary reduced the property registration fee by 6% of the property value.

Paying taxes
Hungary simplified taxes and tax bases.

Closing a business
Amendments to Hungary’s bankruptcy law encourage insolvent companies to consider reaching agreements with creditors out of court so as to avoid bankruptcy.

ICELAND

Dealing with construction permits
Iceland made dealing with construction permits more costly by increasing the fees to obtain the design approval and receive inspections.

Paying taxes
Iceland increased the corporate income tax rate from 15% to 18% and raised social security and pension contribution rates.

INDIA

Starting a business
India eased business start-up by establishing an online VAT registration system and replacing the physical stamp previously required with an online version.

Paying taxes
India reduced the administrative burden of paying taxes by abolishing the fringe benefit tax and improving electronic payment.

INDONESIA

Starting a business
Indonesia eased business start-up by reducing the cost for company name clearance and reservation and the time required to reserve the name and approve the deed of incorporation.

Paying taxes
Indonesia reduced its corporate income tax rate.

Trading across borders
Indonesia reduced the time to export by launching a single-window service.

IRAN, ISLAMIC REP.

Starting a business
The Islamic Republic of Iran eased business start-up by installing a web portal allowing entrepreneurs to search for and reserve a unique company name.

Getting credit
The establishment of a new private credit bureau improved access to credit information.

Enforcing contracts
The Islamic Republic of Iran made enforcing contracts easier and faster by introducing electronic filing of some documents, text message notification and an electronic case management system.

ISRAEL

Trading across borders
Israel is expanding its electronic data interchange system and developing a single-window framework, allowing easier assembly of documents required by different authorities and reducing the time to trade.

ITALY

Starting a business
Italy made starting a business easier by enhancing an online registration system.

JAMAICA

Registering property
Jamaica eased the transfer of property by lowering transfer taxes and fees, offering expedited registration procedures and making information from the company registrar available online.
JAPAN
✓ Closing a business
Japan made it easier to deal with insolvency by establishing a new entity, the Enterprise Turnaround Initiative Corporation, to support the revitalization of companies suffering from excessive debt but professionally managed.

JORDAN
✓ Getting credit
Jordan improved its credit information system by setting up a regulatory framework for establishing a private credit bureau as well as lowering the threshold for loans to be reported to the public credit registry.
✓ Paying taxes
Jordan abolished certain taxes and made it possible to file income and sales tax returns electronically.

KAZAKHSTAN
✓ Starting a business
Kazakhstan eased business start-up by reducing the minimum capital requirement to 100 tenge ($0.70) and eliminating the need to have the memorandum of association and company charter notarized.
✓ Dealing with construction permits
Kazakhstan made dealing with construction permits easier by implementing a one-stop shop related to technical conditions for utilities.
✓ Protecting investors
Kazakhstan strengthened investor protections by requiring greater corporate disclosure in company annual reports.
✓ Trading across borders
Kazakhstan speeded up trade through efforts to modernize customs, including implementation of a risk management system and improvements in customs automation.

KENYA
✓ Starting a business
Kenya eased business start-up by reducing the time it takes to get the memorandum and articles of association stamped, merging the tax and value added tax registration procedures and digitizing records at the registrar.
✓ Paying taxes
Kenya increased the administrative burden of paying taxes by requiring quarterly filing of payroll taxes.
✓ Trading across borders
Kenya sped up trade by implementing an electronic cargo tracking system and linking this system to the Kenya Revenue Authority’s electronic data interchange system for customs clearance.

KOREA, REP.
✓ Closing a business
Korea made it easier to deal with insolvency by introducing postfiling financing, granting superpriority to the repayment of loans given to companies undergoing reorganization.

KOSOVO
✓ Starting a business
Kosovo made business start-up more difficult by replacing the tax number previously required with a “fiscal number,” which takes longer to issue and requires the tax administration to first inspect the business premises.

KYRGYZ REPUBLIC
✓ Starting a business
The Kyrgyz Republic eased business start-up by eliminating the requirement to have the signatures of company founders notarized.
✓ Closing a business
The Kyrgyz Republic streamlined insolvency proceedings and updated requirements for administrators, but new formalities added to prevent abuse of proceedings made closing a business more difficult.

LAO PDR
✓ Paying taxes
Lao PDR replaced the business turnover tax with a new value added tax.

LATVIA
✓ Trading across borders
Latvia reduced the time to export and import by introducing electronic submission of customs declarations.
✓ Closing a business
Latvia introduced a mechanism for out-of-court settlement of insolvencies to alleviate pressure on courts and tightened some procedural deadlines.

LEBANON
✓ Starting a business
Lebanon increased the cost of starting a business.
✓ Getting credit
Lebanon improved its credit information system by allowing banks online access to the public credit registry’s reports.

LITHUANIA
✓ Starting a business
Lithuania tightened the time limit for completing the registration of a company.
✓ Getting credit
Lithuania’s private credit bureau now collects and distributes positive information on borrowers.
✓ Paying taxes
Lithuania reduced corporate tax rates.
✓ Trading across borders
Lithuania reduced the time to import by introducing, in compliance with EU law, an electronic system for submitting customs declarations.
✓ Closing a business
Lithuania introduced regulations relating to insolvency administrators that set out clear rules of liability for violations of law.
LUXEMBOURG
✓ Starting a business
Luxembourg eased business start-up by speeding up the delivery of the business license.
✓ Paying taxes
FYR Macedonia lowered tax costs for businesses by requiring that corporate income tax be paid only on distributed profits.

MACEDONIA, FYR
✓ Starting a business
FYR Macedonia made it easier to start a business by further improving its one-stop shop.
✓ Paying taxes
FYR Macedonia lowered tax costs for businesses by requiring that corporate income tax be paid only on distributed profits.

MADAGASCAR
✓ Paying taxes
Madagascar continued to reduce corporate tax rates.
✓ Trading across borders
Madagascar improved communication and coordination between customs and the terminal port operators through its single-window system (GASYNET), reducing both the time and the cost to export and import.

MALAWI
✓ Registering property
Malawi eased property transfers by cutting the wait for consents and registration of legal instruments by half.
✓ Enforcing contracts
Malawi simplified the enforcement of contracts by raising the ceiling for commercial claims that can be brought to the magistrate’s courts.

MALAYSIA
✓ Starting a business
Malaysia eased business start-up by introducing more online services.
✓ Registering property
Malaysia’s introduction of online stamping reduced the time and cost to transfer property.

MALDIVES
✓ Registering property
Maldives now allows registered companies to own land as long as all company shares are owned by Maldivians.

MALI
✓ Dealing with construction permits
Mali eased construction permitting by implementing a simplified environmental impact assessment for noncomplex commercial buildings.
✓ Registering property
Mali eased property transfers by reducing the property transfer tax for firms from 15% of the property value to 7%.
✓ Trading across borders
Mali eliminated redundant inspections of imported goods, reducing the time for trading across borders.

MARSHALL ISLANDS
✓ Getting credit
The Marshall Islands improved access to credit through a new law on secured transactions that establishes a central collateral registry, broadens the range of assets that can be used as collateral, allows a general description of debts and obligations and assets granted as collateral and establishes clear priority rules outside bankruptcy for secured creditors.

MAURITIUS
✓ Paying taxes
Mauritius introduced a new corporate social responsibility tax.
✓ Enforcing contracts
Mauritius speeded up the resolution of commercial disputes by recruiting more judges and adding more courtrooms.

MEXICO
✓ Paying taxes
Mexico increased taxes on companies by raising several tax rates, including the corporate income tax and the rate on cash deposits. At the same time, the administrative burden continued to decrease with more options for online payment and increased use of accounting software.
✓ Starting a business
Mexico launched an online one-stop shop for initiating business registration.
✓ Dealing with construction permits
Mexico improved construction permitting by merging and streamlining procedures related to zoning and utilities.

MOROCCO
✓ Protecting investors
Morocco strengthened investor protections by requiring greater disclosure in companies’ annual reports.

MOZAMBIQUE
✓ Starting a business
Mozambique eased business start-up by introducing a simplified licensing process.

NETHERLANDS
✓ Paying taxes
The Netherlands reduced the frequency of filing and paying value added taxes from monthly to quarterly and allowed small entities to use their annual accounts as the basis for computing their corporate income tax.

</table>
**RUSSIAN FEDERATION**

- **Dealing with construction permits**
  Russia eased construction permitting by implementing a single window for all procedures related to land use.

- **Closing a business**
  Russia introduced a series of legislative measures in 2009 to improve creditor rights and the insolvency system.

**RWANDA**

- **Dealing with construction permits**
  Rwanda made dealing with construction permits easier by passing new building regulations at the end of April 2010 and implementing new time limits for the issuance of various permits.

- **Getting credit**
  Rwanda enhanced access to credit by allowing borrowers the right to inspect their own credit report and mandating that loans of all sizes be reported to the central bank’s public credit registry.

- **Trading across borders**
  Rwanda reduced the number of trade documents required and enhanced its joint border management procedures with Uganda and other neighbors, leading to an improvement in the trade logistics environment.

**SAMOA**

- **Registering property**
  Samoa shifted from a deed system to a title system and fully computerized its land registry, which reduced the time required to register property by 4 months.

**SÃO TOMÉ AND PRINCIPE**

- **Starting a business**
  São Tomé and Principe made starting a business more difficult by introducing a minimum capital requirement for limited liability companies.

- **Paying taxes**
  São Tomé and Principe reduced the corporate income tax rate to a standard 25%.

**SAUDI ARABIA**

- **Dealing with construction permits**
  Saudi Arabia made dealing with construction permits easier for the second year in a row by introducing a new, streamlined process.

- **Getting credit**
  An amendment to Saudi Arabia’s commercial lien law enhanced access to credit by making secured lending more flexible and allowing out-of-court enforcement in case of default.

- **Trading across borders**
  Saudi Arabia reduced the time to import by launching a new container terminal at the Jeddah Islamic Port.

**SLOVENIA**

- **Starting a business**
  Slovenia made starting a business easier through improvements to its one-stop shop that allowed more online services.

- **Registering property**
  Greater computerization in Slovenia’s land registry reduced delays in property registration by 75%.

- **Paying taxes**
  Slovenia abolished its payroll tax and reduced its corporate income tax rate.

**SOLOMON ISLANDS**

- **Getting credit**
  The Solomon Islands strengthened access to credit by passing a new secured transactions law that broadens the range of assets that can be used as collateral, allows a general description of debts and obligations secured by collateral, permits out-of-court enforcement and creates a collateral registry.

**SPAIN**

- **Trading across borders**
  Spain streamlined the documentation for imports by including tax-related information on its single administrative document.

- **Closing a business**
  Spain amended its regulations governing insolvency proceedings with the aim of reducing the cost and time. The new regulations also introduced out-of-court workouts.

**SEYCHELLES**

- **Paying taxes**
  The Seychelles removed the tax-free threshold limit and lowered corporate income tax rates.

**SIERRA LEONE**

- **Dealing with construction permits**
  Sierra Leone made dealing with construction permits easier by streamlining the issuance of location clearances and building permits.

- **Registering property**
  Sierra Leone lifted a moratorium on sales of privately owned properties.

- **Paying taxes**
  Sierra Leone replaced sales and service taxes with a goods and service tax.

**SWAZILAND**

- **Protecting investors**
  Swaziland strengthened investor protections by requiring greater corporate disclosure, higher standards of accountability for company directors and greater access to corporate information for minority investors.

- **Trading across borders**
  Swaziland reduced the time to import by implementing an electronic data interchange system for customs at its border posts.
SWEDEN
✓ Starting a business
Sweden cut the minimum capital requirement for limited liability companies by half, making it easier to start a business.
✓ Registering property
Sweden made registering property easier by eliminating the requirement to obtain a preemption waiver from the municipality.
✓ Protecting investors
Sweden strengthened investor protections by requiring greater corporate disclosure and regulating the approval of transactions between interested parties.

SYRIAN ARAB REPUBLIC
✓ Starting a business
Syria eased business start-up by reducing the minimum capital requirement for limited liability companies by two-thirds. It also decentralized approval of the company memorandum.
✓ Getting credit
Syria enhanced access to credit by eliminating the minimum threshold for loans included in the database, which expanded the coverage of individuals and firms to 2.2% of the adult population.

TAIWAN, CHINA
✓ Starting a business
Taiwan (China) eased business start-up by reducing the time required to check company names, register retirement plans and apply for health, pension and labor insurance.
✓ Paying taxes
Taiwan (China) reduced the corporate income tax rate and simplified tax return forms, rules for assessing corporate income tax and the calculation of interim tax payments.

TAJIKISTAN
✓ Starting a business
Tajikistan made starting a business easier by creating a one-stop shop that consolidates registration with the state and the tax authority.
✓ Protecting investors
Tajikistan strengthened investor protections by requiring greater corporate disclosure in the annual report and greater access to corporate information for minority investors.
✓ Paying taxes
Tajikistan lowered its corporate income tax rate.

THAILAND
X Registering property
Thailand made registering property more costly by repealing a 2-year temporary tax reduction for property transfers.
✓ Paying taxes
Thailand temporarily lowered taxes on business by reducing its specific business tax for 12 months.

TIMOR-LESTE
✓ Enforcing contracts
Timor-Leste increased court efficiency by training and appointing new judges and passing a new civil procedure code.

TONGA
✓ Paying taxes
Tonga simplified the payment of taxes by replacing a 2-tier system with a 25% corporate income tax rate for both domestic and foreign companies and introducing tax incentives with a broad-based capital allowance system to replace tax holidays and other tax concessions.

TUNISIA
✓ Paying taxes
Tunisia introduced the use of electronic systems for payment of corporate income tax and value added tax.
✓ Trading across borders
Tunisia upgraded its electronic data interchange system for imports and exports, speeding up the assembly of import documents.

UGANDA
✓ Starting a business
Uganda made it more difficult to start a business by increasing the trade licensing fees.
✓ Getting credit
Uganda enhanced access to credit by establishing a new private credit bureau.
✓ Enforcing contracts
Uganda continues to improve the efficiency of its court system, greatly reducing the time to file and serve a claim.

UKRAINE
✓ Starting a business
Ukraine eased business start-up by substantially reducing the minimum capital requirement.
✓ Dealing with construction permits
Ukraine made dealing with construction permits easier by implementing national and local regulations that streamlined procedures.
✓ Paying taxes
Ukraine eased tax compliance by introducing and continually enhancing an electronic filing system for value added tax.

UNITED ARAB EMIRATES
✓ Getting credit
The United Arab Emirates enhanced access to credit by setting up a legal framework for the operation of the private credit bureau and requiring that financial institutions share credit information.
✓ Trading across borders
The United Arab Emirates streamlined document preparation and reduced the time to trade with the launch of Dubai Customs’ comprehensive new customs system, Mirsal 2.

**ZIMBABWE**

**Starting a business**
Zimbabwe eased business start-up by reducing registration fees and speeding up the name search process and company and tax registration.

**Paying taxes**
Zimbabwe reduced the corporate income tax rate from 30% to 25%, lowered the capital gains tax from 20% to 5% and simplified the payment of corporate income tax by allowing quarterly payment through commercial banks.
