Doing Business 2013 Fact Sheet: Caribbean

- The Dominican Republic ranks among the 50 economies (out of 185) improving business regulation the most since 2005.
- Jamaica and Trinidad and Tobago are the economies in the region with the most business regulatory reforms from June 2011 to June 2012.
- Puerto Rico (territory of the United States) is the regional leader in the ease of doing business, ranking 41 among 185 economies worldwide.

Note: The distance to frontier measure shows how far on average an economy is from the best performance achieved by any economy on each Doing Business indicator since 2005. The measure is normalized to range between 0 and 100, with 100 representing the best performance (the frontier). The data refer to the 174 economies included in Doing Business 2006 (2005). Eleven economies were added in subsequent years.
